Day 2 - Friday 27 September 2024

Wāhanga (session) 4: The Challenges and Future Prospects for White Burgundy

JASPER MORRIS MW

Where do we go from here?

The Challenges:

- Global warming
- Economic & Social Pressures

Global Warming

- Can we still grow Chardonnay in Burgundy
- Will the famous vineyards retain their place in the hierarchy?
- Might there be new sweet spots?
- Do we need a new approach to viticulture – and vinification?

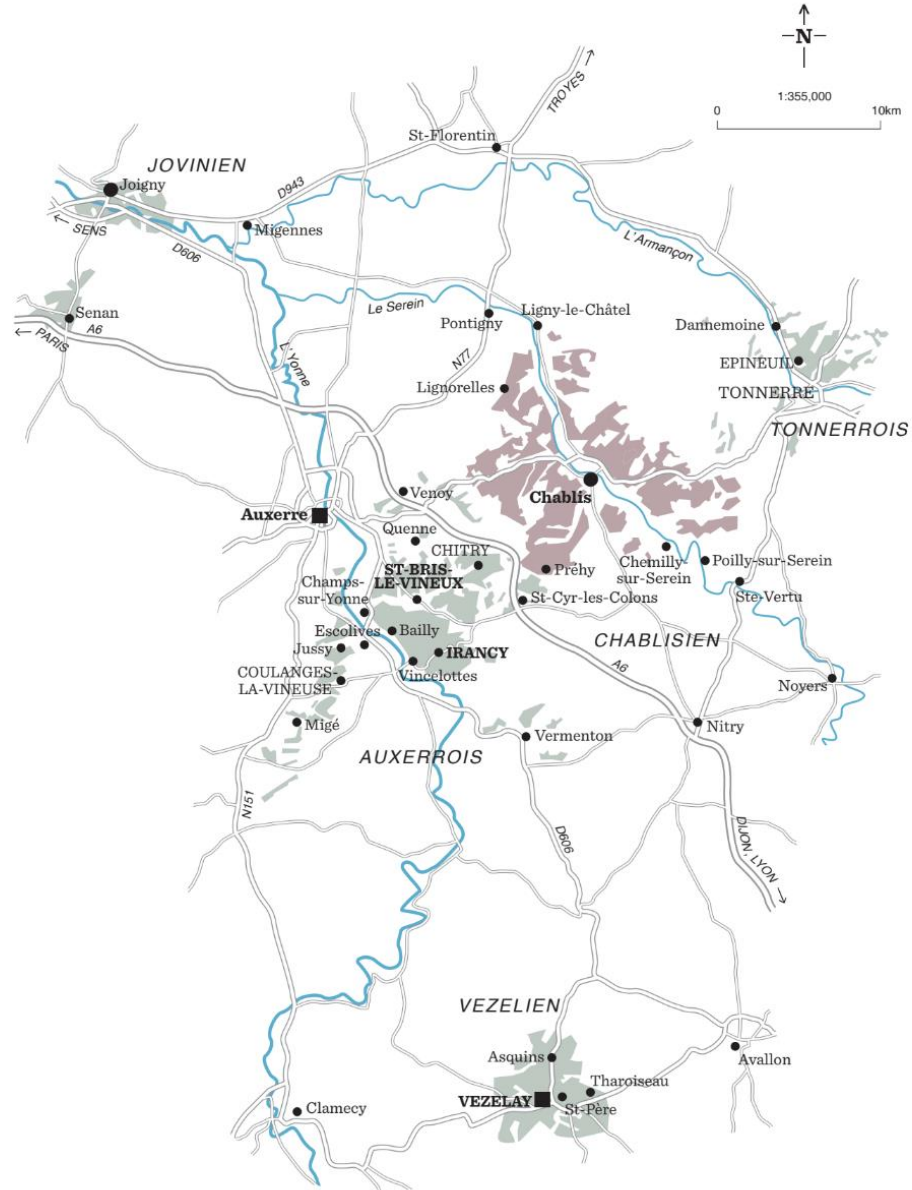

Economic & Social Pressures

- The Price of the Wines
- The Cost of the Land
- Succession issues
