

## Two Terraces Vineyard

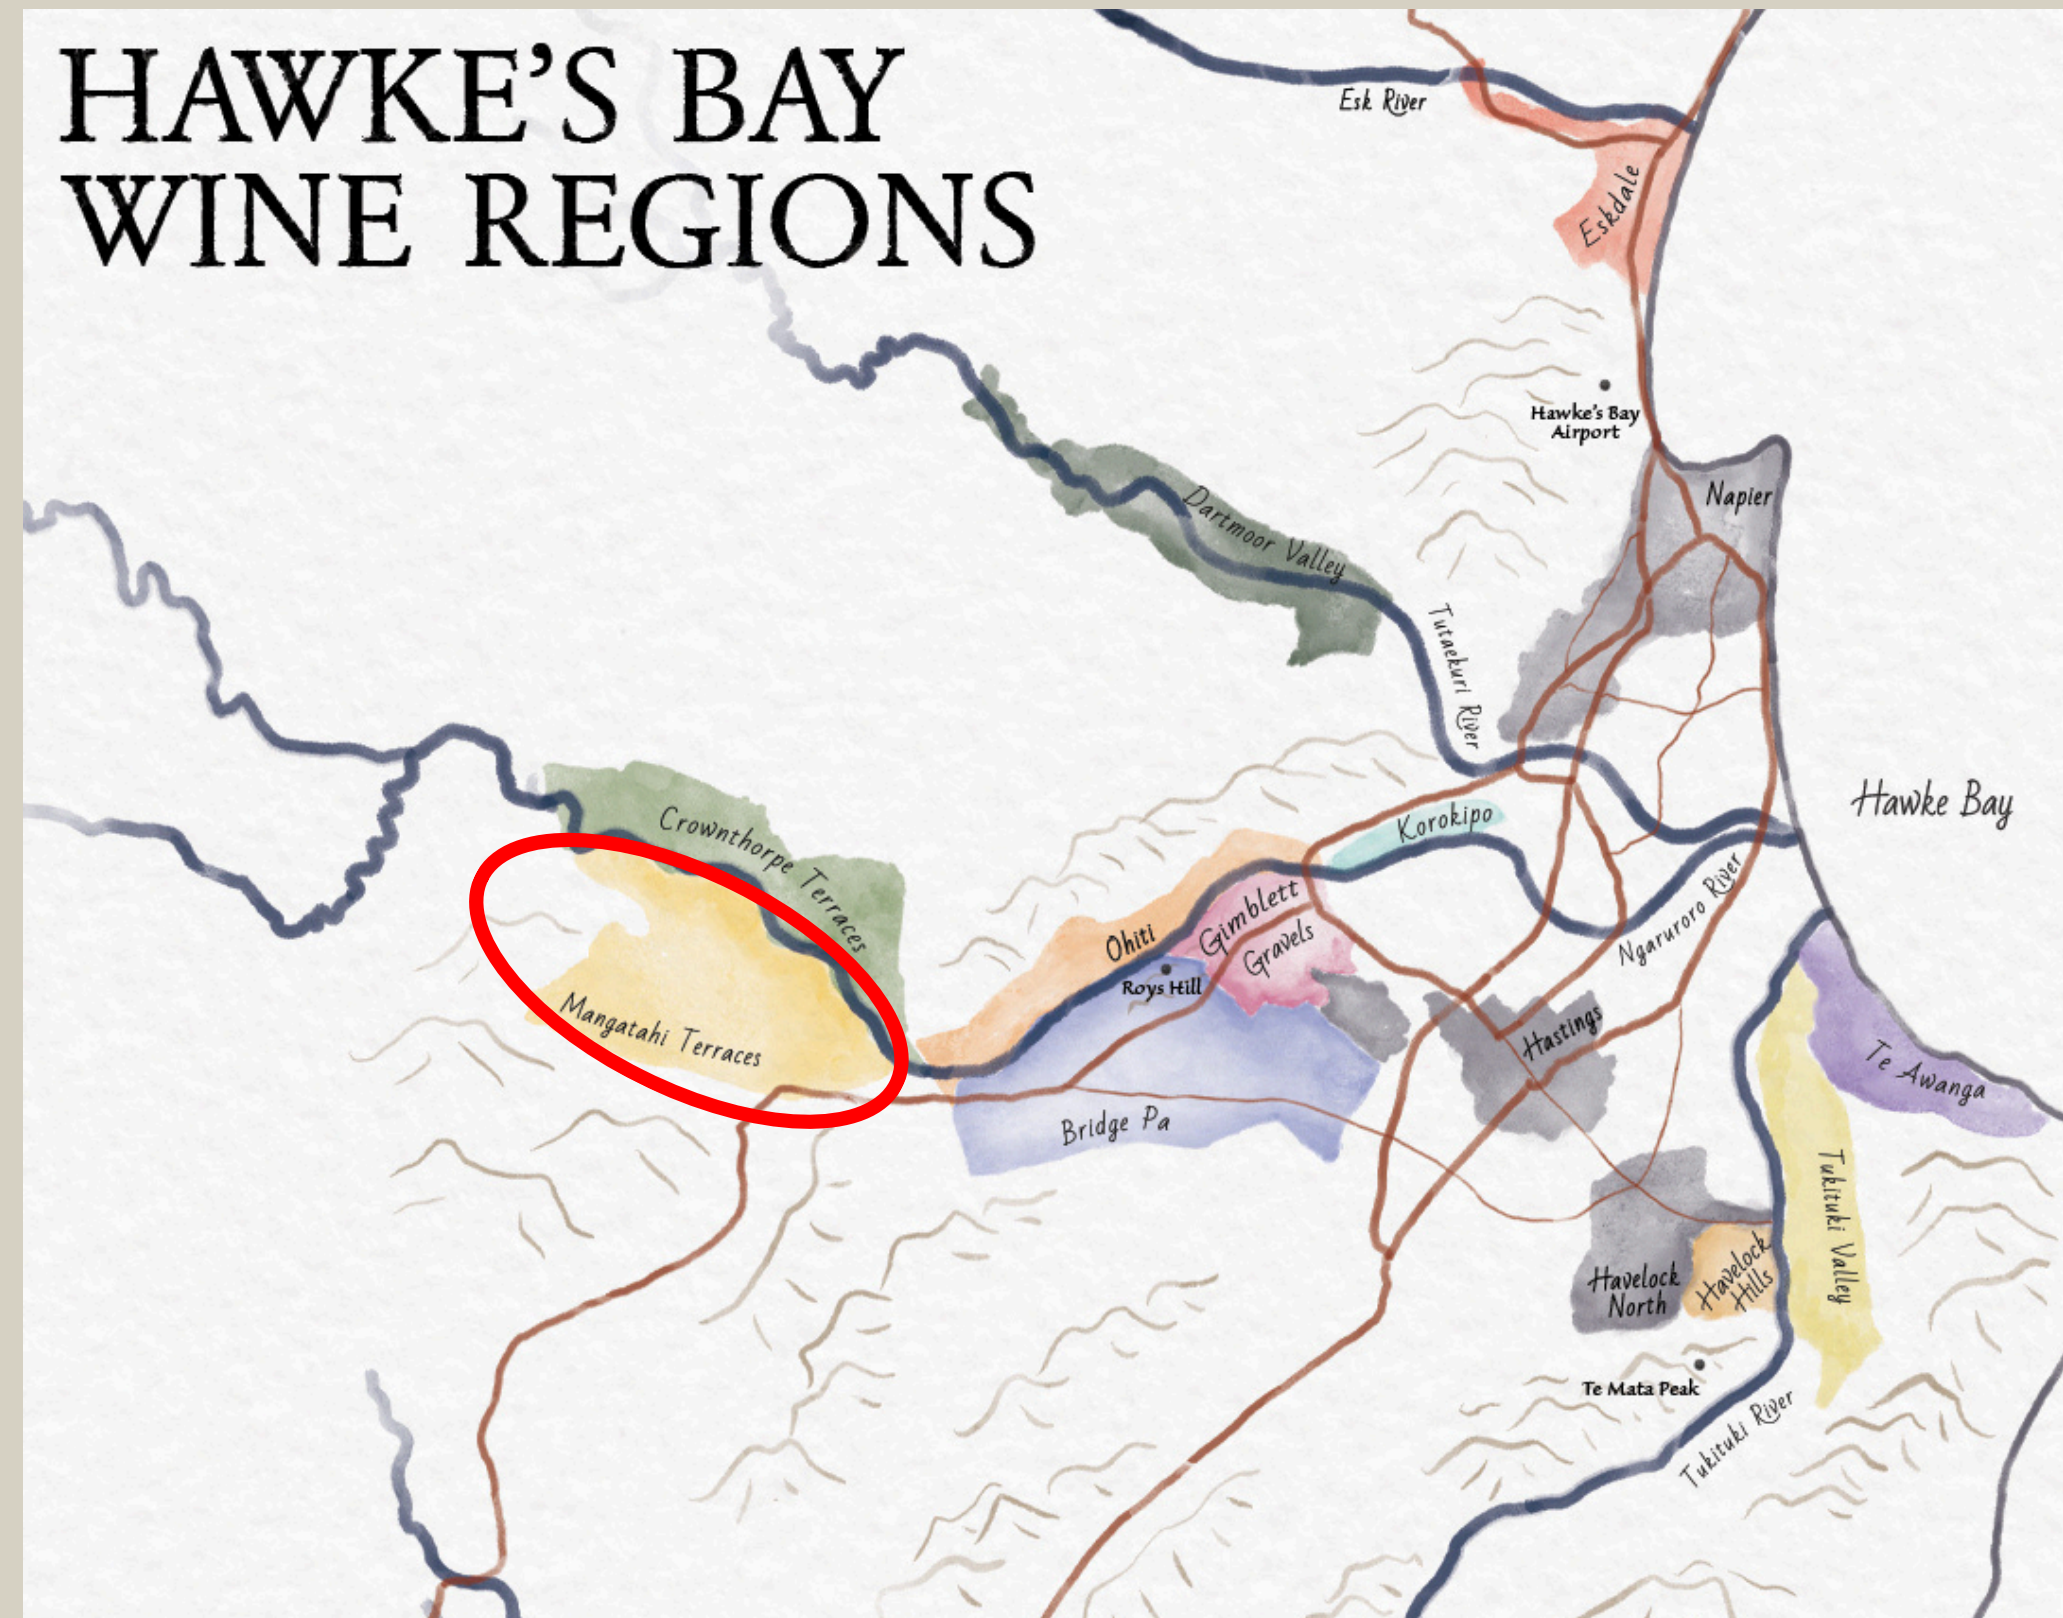

# Mangatahi Terraces

### Inland from Heretaunga Plains

- Southern side of Ngaruroro River
- Terraces formed 10-15,000 years ago
- Silt/sand loams over alluvial red metal gravels
- 100-180m elevation
- Warm days, cooler nights

### Well known sub-region for Chardonnay

- Morton Estate / Riverview vineyard from the 1990's
- Significant diurnal range, freshness, citrus through nectarine flavours

# Two Terraces Vineyard Background

- Farmed since ~1860's, historically known as winter farming country
- Bare land purchased 2015, second terrace planted 2016, top terrace 2018
- ~20ha planted, 50% Chardonnay, along with Chenin, Gamay, Albariño, Syrah
- Focused on growing for premium wine, ~2/3 organic in-conversion or certified

# Two Terraces Vineyard Chardonnay

- Chardonnay plantings include 548, Mendoza, 95, Calera (FPS107) and 1066
  - All on 3309 rootstock
- Pruning includes arch cane, standard two cane, three cane
- Full program of shoot thin, leaf pluck, declump/fruit thin
- Canopy program fully organic
- Undervine
  - Predominantly one weedspray followed by undervine mowing
  - First organic-regen block started in 2023
