GIMBLETT GRAVELS | NEW ZEALAND

TERRACES & GRAVELS CHARDONNAY 2022

This 2022 barrel fermented Chardonnay offers a sophisticated soft wine with restrained flavours of grapefruit, melon and subtle blend of nut, spicy oak and lees characters. Barrel fermented and Barrel aged in new and older French oak adds complexity and texture.

Moderately concentrated chardonnay with ginger, grapefruit, hazelnut, nutty yeast lees and spicy oak flavours. Robust, complex wine with development potential at least in the short term
